Activities and Plan for 2018/9

Coordinate and Communication

A Network meeting in Granada

Create and develop an online network to share learning activities and experiences for all RASSELH members

Sharing and Learning Activities

We plan to offer 66 online courses in basic intervention, and eight of individual advanced intervention in smoking cessation, in order to train health professionals, so that health services can increase the percentage of trained health professionals, to reach a higher level in their accreditation of the RASSELH (Andalusian Network of Health Services and Smoke-Free Spaces).

Advocate and Collaborate

Increase number of smoke free beaches and sport spaces

We expect increase silver and bronze awards in our network
