

GLOBAL NETWORK GOLD FORUM EVENT 2018 Sharing of “good practice” examples

Lead / representative from the poster

Healthcare Service Name: **the Mennonite Christian Hospital**

Country/Region: **Taiwan / Hualien**

Self-Audit Score 2016 (Standards 1-8): **141**

Size/ number of beds: **Regional teaching hospital / 471 beds**

Number of Staff: **1,072**

Specialisation (Departments, diagnosis): **Internal medicine, Surgery, Gynecology, Pediatrics, Emergency medicine, odontology and other specialists**

Innovative/good practice: highlight implementation examples

STANDARD 1 - GOVERNANCE AND COMMITMENT

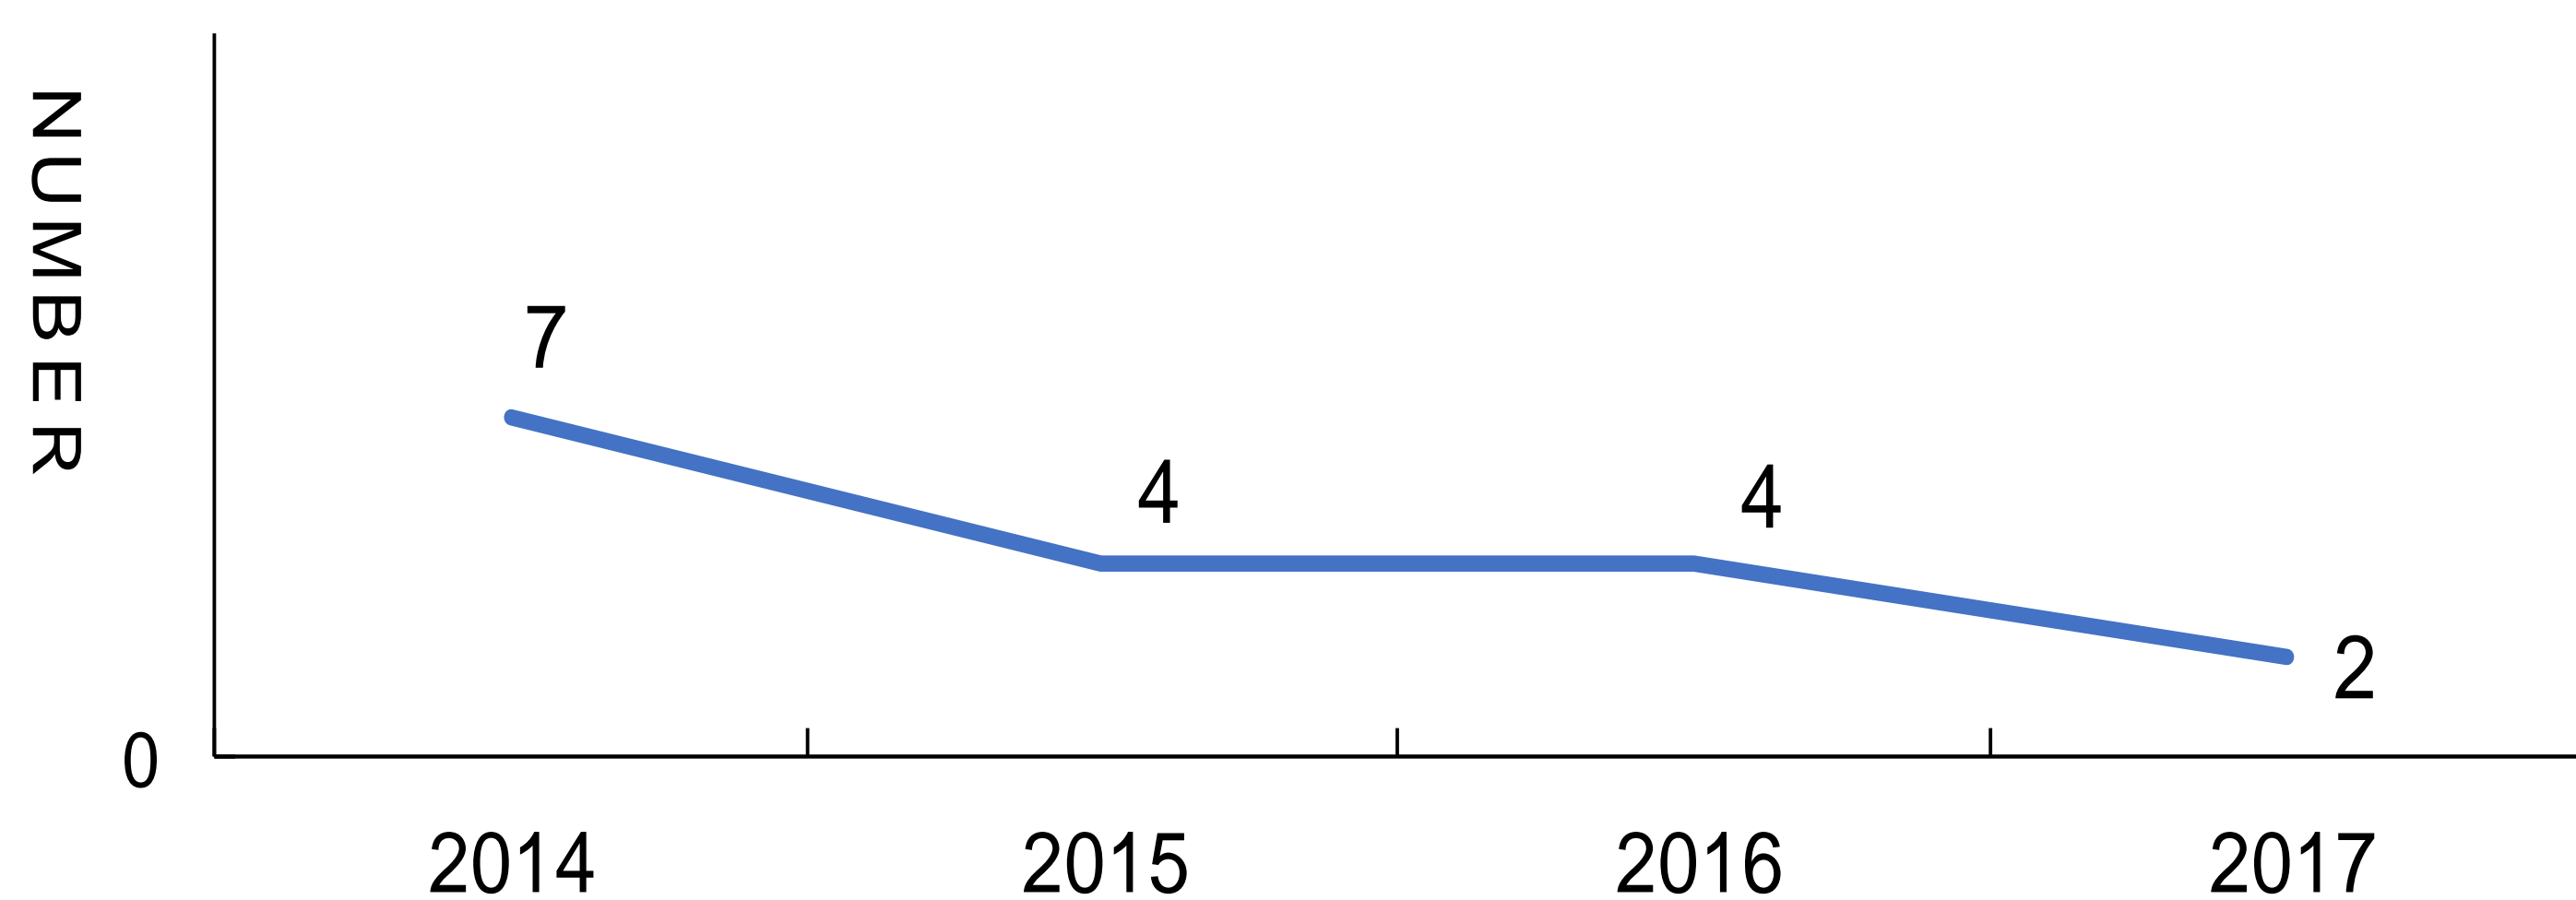

Example 1: Six taxi drivers assisted in the promotion of tobacco free policy.

Taxi drivers near the hospital were invited to be smoking cessation advocates, and non-smoking ideas were introduced to passengers on the way through oral persuasion and health promotion materials.

Example 2: The number of people being reported for smoking inside the hospital has been declining year by year.

NUMBER OF PEOPLE WHO WERE SMOKING INSIDE THE HOSPITAL

STANDARD 4 – IDENTIFICATION, DIAGNOSIS AND TOBACCO CESSATION SUPPORT

Example 1: Each new employee will be informed that if employees smoke or use e-cigarettes in the hospital, the records will debase their performances and cut down their bonuses (Using e-cigarettes is illegal in Taiwan)

Focus Form C – Jury suggestion for sharing GOLD FORUM Event example

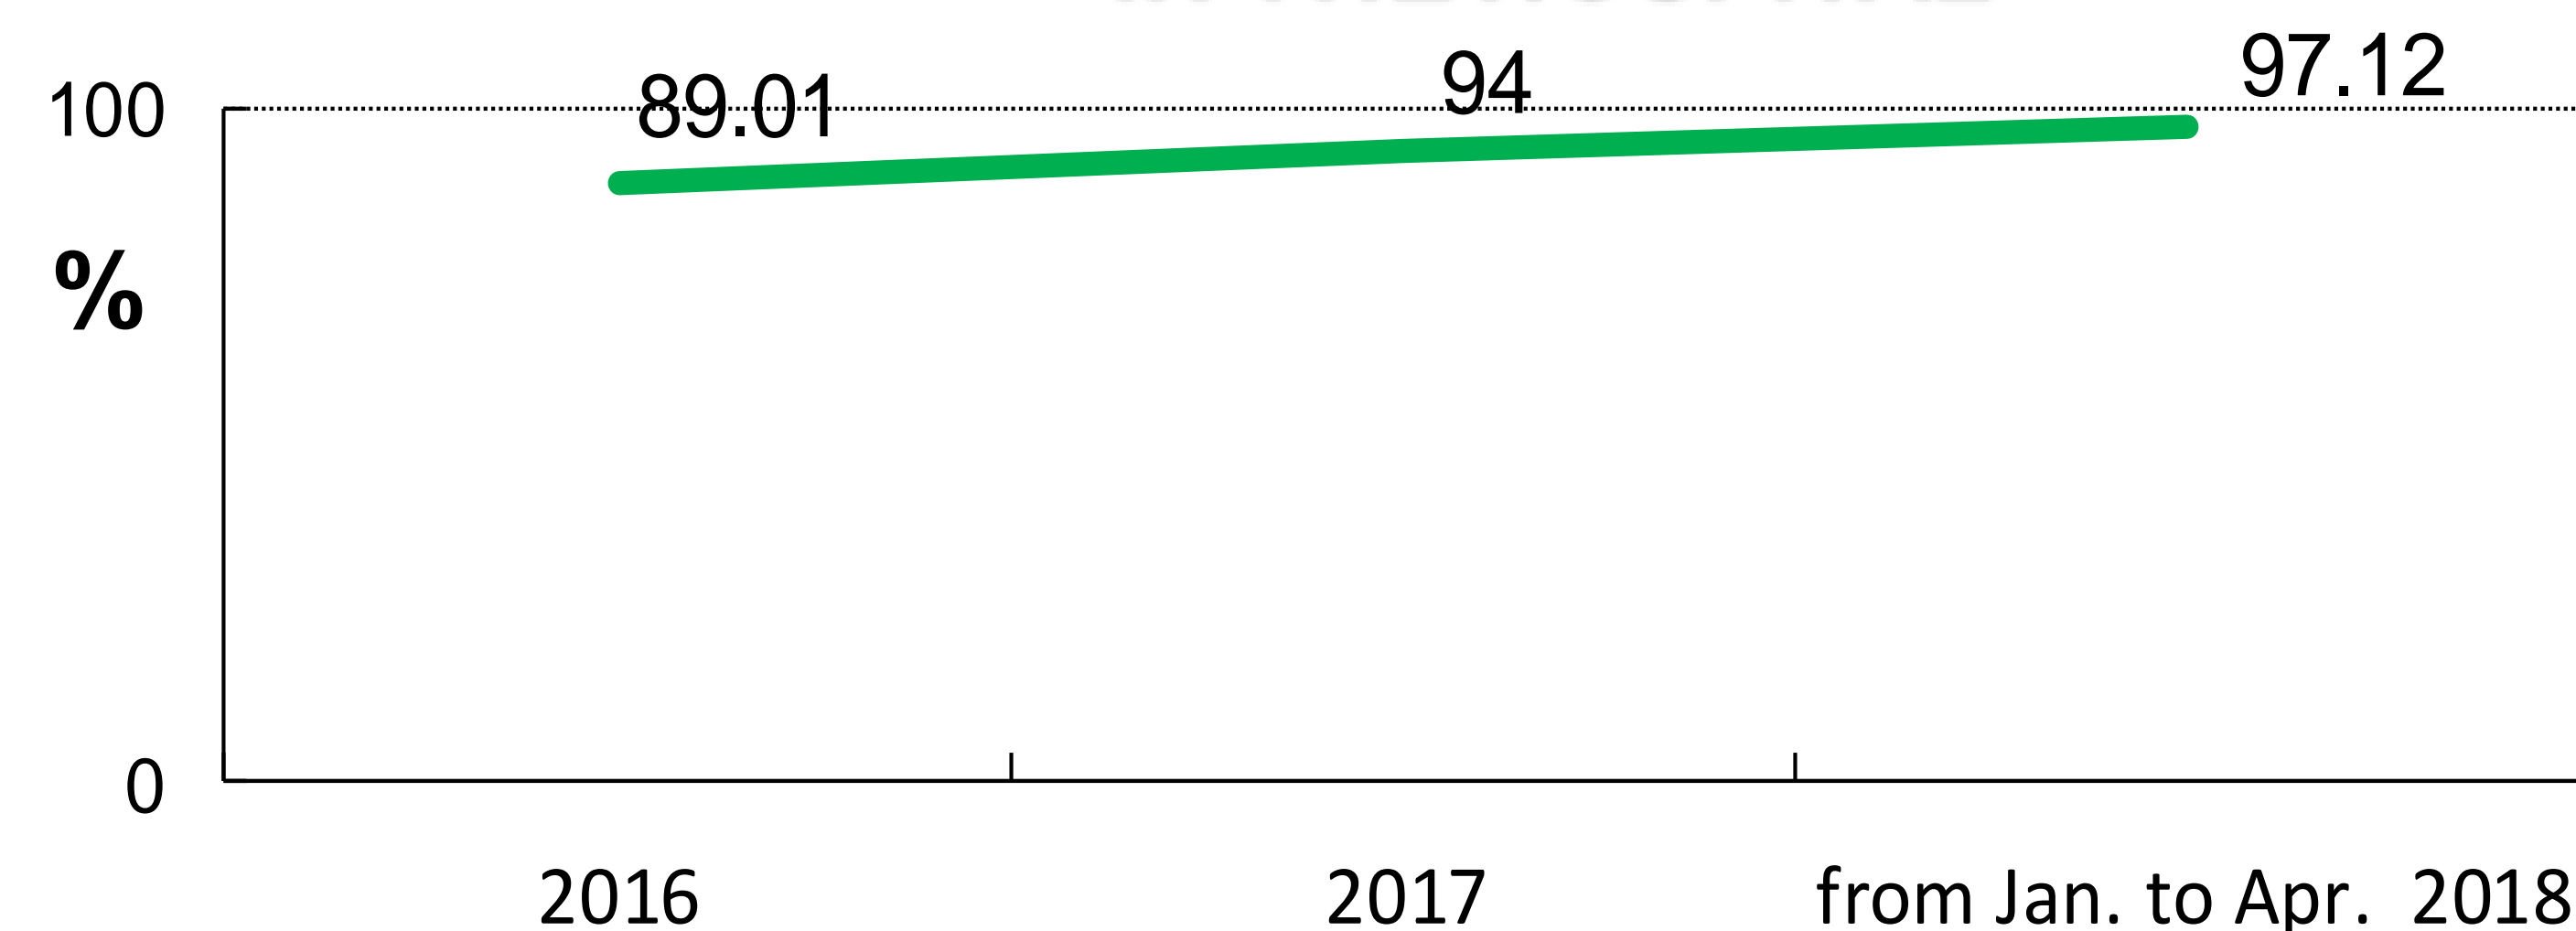

L.其他:

1. 新進員工於試用期自行申請離職者，繳回制服費用，若已參加全院性職前訓練，應繳回教育訓練費\$500元。
