• **REGISTRATION OF SMOKERS IN THE DIGITAL CLINICAL HISTORY:**

✓ Clinical Digital history: We have in the Digital History of all our hospitals a **specific section on smoking**, which includes the following data.

✓ The information recorded on smoking in the Digital History, allows a more reliable record.

✓ The **passive smoker** is already included in the Digital History.

✓ To facilitate access to smoking cessation treatment, thanks to the efforts of the hospital management, all hospitalized patients **have free access** to pharmacological treatment.

T.S.N

✓ Hospital has implemented a referral circuit for the care of smokers in close relationship with their Primary Health Care System.
